Herd Sires information:

DDN BELLY RIVER FED-X 244Z

244z has done a great job producing uniform and structurally sound calves they are performing great on test.

AWB BIRCH'S MOMENTUM 3A

Birch has an 80-pound birth weight and does not lack in performance. He gained 3.9 ADG on test and has passed that performance and calving ease onto his calves. He is also 100% Leptin positive.

13	1.5	79	114	34	74	.48

I have been very happy with both sires for this year's bulls. All the bulls have done well on feed test, with a group average of 3.60 ADG.

All bulls are welcome to be left with me until you need them at your risk and free of charge.
